VPK Program & Policy Updates:

Professional Development for VPK Providers now available through Early Learning Florida

Early Learning Florida is a statewide professional learning system designed to support the development of early childhood professionals' knowledge and skills in effectively educating and caring for young children. Developed in partnership with the Florida Office of Early Learning and the University of Florida Lastinger Center, Early Learning Florida connects early learning educators to research-based, high quality professional development courses, high-impact resources, and targeted supports that have been proven to significantly improve program quality, teacher-child interactions, and child learning and development outcomes.

Each course offers up to 2.0 IACET-approved CEUs, the equivalent of 20 professional development hours. Upon successful completion and mastery of a course, the UF Lastinger Center awards the participant with 2.0 IACET CEUs and a downloadable certificate of mastery within 14 days of mastery.

There are three course models available:

1. Early Learning Florida Online-only Courses
2. Early Learning Florida Online + Communities of Practice (CoP) Model
3. Early Learning Florida Online + Technical Assistance (TA) Coaching Model

Course enrollment is offered for free, but is subject to availability. Interested VPK providers should contact their local early learning coalition if interested in participating in any of the Early Learning Florida courses.

The available courses, course descriptions and registration information are all available on the Early Learning Florida website found at <https://www.earlylearningflorida.com>
