HOME BASED PROGRAM

What is the Home-Based Program?
A Parent Educator will come to your home weekly and provide FREE:
- Developmental screenings.
- Services for pregnant women & children birth to three.
- Referral to community services.
- Socialization activities with other families.
- Information on child development and early learning.

What do you need to apply?
Child’s original birth certificate, proof of income if working
(Most recent W2 & last pay stub), proof of child support or any other income.

A knock on the front door can bring parents the support they need to nurture their young child’s healthy development. Home visiting reaches families where they live by delivering parent services directly to the home environment. Together we will help you plan ways to help your child learn using parent-child interactions, daily routines, and household materials.
